IDEAL PATIO

New Opportunity Exclusive to Existing Exhibitors

Produced by:

THE IDEAL PATIO FEATURE

We're taking outdoor living space to a whole new level at the 2019 Spring Ideal Home Show. The IDEAL PATIO Feature area will be an all-new, experiential area that inspires visitors to make the most of their patios, decks, and yard space. It's the first barbeque of the season!

This is an opportunity for exhibitors who are already booked in the 2019 Spring Ideal Home Show to have an additional opportunity to showcase your products. There is no added cost to participate in this area, but we will only be accepting one exhibitor in each category. Availability is limited and placement of products will be at show management's discretion.

IF YOUR BUSINESS INCLUDES:

- Decks/Deck Design
- Barbeques
- Outdoor heaters
- Lawn equipment
- Planters and patio gardening
- Patio furniture
- Firepits
- Patio stones/Patio design
- Artificial turf
- Staging/Designer

... then YOU'RE invited to be in the running to showcase your products!

THERE'S NOTHING LIKE THE PERFECT PATIO

We will designate a feature area in the show where visitors can visualize what THEIR backyard living space could be transformed into. This will be an unmanned area but if you contribute, you can have limited signage and collateral which will in turn, drive visitors to your booth. We will advertise this feature in our event marketing.

IF YOU HAVE A UNIQUE IDEA OF HOW TO SHOWCASE YOUR BUSINESS, LET US KNOW!
