

## Safety Guidelines

Master Promotions Ltd. is committed to provide a safe trade show environment for our attendees, exhibitors, suppliers, and staff. The guidelines have been developed in consultation with Halifax Exhibition Centre.

As part of our commitment, we have developed safety protocols and best practices surrounding response and prevention measures and are being updated as more information and guidance becomes available.

### All Participants

- Hand sanitizer stations will be placed throughout the show that will be accessible for all attendees.
- First aid personnel will be onsite and available to help individuals who do not feel well.
- Everyone attending the show is encouraged to wear a mask, social distance and to wash their hands frequently, according to their personal comfort level.
- This is a current Province of Nova Scotia Health Guideline;  
<https://novascotia.ca/coronavirus/docs/safety-guidelines-for-events.pdf>

### Exhibitors

- Exhibitors traveling to NS from outside the province please review the following information - <https://novascotia.ca/coronavirus/travel/>
- We recommend sanitizer and signage requesting visitor sanitize prior to touch any items in your booth area.
- If any exhibitor staff feel sick, experiencing any symptoms or exposure, please do not come to the show.

We are carefully monitoring the government guidelines and public health regulations to ensure the trade show will be a safe place to interact and conduct business.
